

COTES DU RHONE
RED 2015

OUR PRICE:

\$24.99

"This is the ultimate statement in minimalist packaging, but talk about over delivering! Made by the same guy who's making Kermit Lynch's CDR label, but KLWM only does 750s. Another supplier deals with this producer for all of his large format business. And for the crazy price of \$24.99, I think I won't be alone in my endeavor! Bold, bright, juicy Grenache-y flavors with supple tannins, this red is a definite crowd pleaser!" - J.B.
